Gross Motor Program 2007 - Thursdays and Fridays in Terms 2 and 3

Term 2 = commences Week 2 beginning 23/4/07
Concludes Week 9 beginning 11/6/07

Term 3 = commences Week 3 beginning 16/7/07
concludes Week 9 beginning 3/9/07

Dear Parents/Guardians,

Years 1 and 2 will commence participation in a Gross Motor Program which runs in Terms 2 and 3. The program has successfully operated in previous years and is an important part of your child's physical skill development. This year the program has been modified with new activities.

Each Thursday and Friday, two classes will combine and spend approximately 35 minutes on rotational activities.

Below is a timetable for your child's class. It would be appreciated if you were able to assist with one or more sessions by taking a group of approximately 10 children. If you bring other children, please closely supervise them. Your child's teacher will inform you of activities on the day or you can arrange to play your activities in advance. If you wish to do this, please consult your child's teacher.

Thursday	1.30 - 2.30	1D4 1D3
Friday	8.30 - 9.30	1D1 1D2

Friday	9.30 - 10.30	2I1 2I2
Friday	1.30 - 2.30	2H1 2H2

This program will only be possible to run with your help. If you can help only occasionally, your assistance would be appreciated. Please complete the form below and return to your child's teacher.
