Principal's Message

Our commitment is to create a learning environment in which each child can thrive and become an independent, creative and connected learner. It is through these solid foundations that unlimited potentials will emerge.

Boondall State School provides an education that prepares our students for life. We are a community of learners, committed to innovation and led by a united vision for professional excellence.

Guided by our motto, Success by Work, we offer a distinctive learning environment. At Boondall, we believe in engaging children in learning experiences that foster their independence, creativity and the connectedness needed in today's world and our global future.

We recognise the individuality and varied abilities of our students and provide every opportunity for them to find their passion, take risks, strive to improve, succeed and learn from any set-backs.

Our school prides itself on its commitment to fostering a culture of respect, independence, safety, and effort, where students learn about and appreciate diverse beliefs and influences. It is the centre of an active and supportive community who are proud of the school's diversity and inclusive culture.

We work to continually foster positive relationships with our families, local businesses, surrounding schools, clubs and professional associations. It is through these productive partnerships that we are able to deliver dynamic educational experiences for our students.

We look forward to working in partnership with you during these formative years of your child's life-long education.

Matthew Denzin,
School Principal

Welcome!

It is our pleasure to welcome you to the Boondall State School community.

At Boondall State School, we understand the importance of having productive partnerships with families. It is through this relationship that we can support every child to grow academically, socially and emotionally and experience success in all that they encounter.

This handbook is designed to give you an overview to all of the information you need to know about the operations of our school. If you have any questions, please do not hesitate to contact any member of our team.

Boondall State School is a proud Independent Public School (IPS). This means we have greater autonomy to make local decisions to improve the outcomes for our students. We have the flexibility to innovate whilst still remaining part of the state schooling system.

1.10pm - 2.30pm	Afternoon Session

Teaching & Learning Programs

Boondall State School provides an inclusive, dynamic and engaging educational experience that enables our students to become resilient, independent, responsible and active community members.

Our academic programs are focused on building students' foundational skills, attitudes and values to ensure they achieve their individual potential.

Literacy and numeracy skills are taught explicitly as well as embedded in Boondall State School's extended curriculum. The core areas of study for all year levels are based on Education Queensland's syllabus and are directly aligned with the Australian National Curriculum.

In addition to classroom-based learning activities, many aspects of our curriculum are delivered by specialist teachers, including:

- Health & Physical Education
- The Art
- Languages Other Than English (LOTE)
- Technology

Phases of Learning

Our academic programs are divided into two key phases of learning. Each stage is approached as a unique, yet interdependent step in the broader education pathway.

Lower Primary (Prep – Year 2): Often referred to as the "Early Years of Learning", Lower Primary at Boondall State School focuses on developing our students' passion for learning, creativity and self-confidence. Our program aims to not only provide our youngest students with a balanced and relevant set of core literacy and numeracy skills, but also with a strong attitude to learning that will underpin their later academic and personal achievement.

Upper Primary (Years 3 – 6): Boondall State School's approach to the Middle Years of Schooling (Years 3–6) reflects our understanding of the unique educational needs of young adolescents. Our Upper Primary program supports the intellectual, social, emotional, moral, spiritual and physical development of our students. Learning experiences encourage active learning, strong relationships, co-operation, and the development of independent learning skills.

Assessment

Assessment helps teachers make decisions about what your child knows and can do. Most assessment in primary school is based on a classroom teacher's direct observations or reflections on students' work and is aligned with the National Curriculum's expectations.

Throughout the year, all class teachers will complete standard, school-wide testing of their students – focusing on literacy and numeracy. The results of these tests are used to identify individual students that would benefit from additional support or extension activities.

National Testing: All Year 3 and 5 students in Australia sit the National Assessment Program – Literacy and Numeracy (NAPLAN) tests. There are 4 tests, completed over 3 days: Language Conventions, Writing, Reading and Numeracy.

The results of these tests provide the school with information about what each student knows and can do. Parents also receive a report showing how your child performed against agreed national benchmarks.

Health & Physical Education

Boondall State School promotes good health and nutrition through activity, healthy tuckshop choices and our SunSafe practices. Our Health and Physical Education is an important part of the education of every Boondall State School student. All students receive a weekly lesson delivered by a Physical Education specialist. Our Physical Education program engages all students in fun, active skill development across a number of sports.

Carnivals: Students participate in swimming, cross country and athletics carnivals each year. Students in Years 5 and 6 can also participate in interschool football and netball carnivals.

Representative Sport: Students can trial for a variety of sports that may lead to representation in the District, Regional and State teams. The Principal must approve representatives' behaviour and attendance.

Intra-school Sport: Students in Years 5 and 6 participate in an hour of afternoon sporting activities for four weeks each term. To ensure a cross section of experiences and skill development, different sports are offered each term.

Please note: All physical activities involve inherent risks. Like all state schools, we do not offer "accident insurance" to cover medical or other costs in the event of accidental injury. We therefore recommend families consider private insurance.

The Arts

The Arts program at Boondall State School allows our students to embrace the world around them in a sensory manner and communicate creatively. Our Arts program allows students to develop knowledge, skills and understanding in five subject areas: Music, Dance, Drama, Visual Art and Media.

At Boondall State School we embrace the Arts as a community encouraging participation in our annual M.A.D.D (Music Arts Dance and Drama) event, as well as choral, band competitions and development camps.

Languages Other Than English

LOTE, as a subject, promotes social and cultural understanding. At Boondall State School, German has been chosen as part of the curriculum.

All students from Prep to Year 6 have half an hour of LOTE German per week. Students are not formally assessed in German until Year 4.

Technology and Resources

Boondall State School provides a well-resourced learning environment for students. In addition to our classrooms being filled with age-specific resources, students have access to specialist teaching environments and the latest ICTs.

Specialist Teaching Environments: Our students have access to a number of specialist teaching environments, including Instrumental Music classrooms, a Learning Hub for specialised education services, a Library and Resource Centre, a multi-purpose hall and age-appropriate play spaces.

Information Communication Technologies: All Boondall State School classrooms are fitted with the latest in interactive, information communication technology, including:

- Teacher Laptops
- Interactive Whiteboards
- Mounted data projector
- High-speed internet connections

Support Services

Key support services available at Boondall State School include a Guidance Officer, a Head of Engagement and Transition and a Speech Language Pathologist.

Library

The Boondall State School Library is open for browsing and borrowing before school (from 8:25am).

All classes visit our Library at least once per fortnight either for borrowing or lessons focusing on information literacy skills and enjoyment of literature.

Please note: Students are encouraged to look after any borrowed items as there is a fixed charge for any lost or damaged library and home reading books.

Excursions

Our students' learning is enhanced through participation in school excursions. When planning excursions, our teachers ensure:

- The activity complements students' academic programs.
- Safe ratios of adults to students
- Students not participating in the excursion are supervised and provided with an alternative program at school.
- Specific processes are in place if students are being transported in private vehicles.
- Careful selection and preparation of all parents/volunteers participating in the excursion.

All school excursions are approved by our Principal and P&C Association.

Homework

A balanced approach to homework plays an important role in a child's education. At Boondall State School, we promote homework as an opportunity for:

- an opportunity for students to develop self-discipline and independence,
- parents to see and share their children's education.

The following offers a guide to parents on age-appropriate homework expectations:

Phase:	Lower Primary
Duration:	Up to 60 minutes per week
Focus:	Reinforcing literacy skills
Common Tasks:	<ul style="list-style-type: none"> • Daily reading to, with, and by parents/caregivers • Discussions about books • Linking concepts with familiar activities (e.g. shopping, cooking) • Talking about what is happening at school
Phase:	Upper Primary
Duration:	Up to 120 minutes per week
Focus:	Reinforcing new concepts and independence
Common Tasks:	<ul style="list-style-type: none"> • Daily independent reading • Class work from each subject area (as required) • Extension of class work and projects (as required)

Family & Community Involvement

Parents and families are an important part of our school community. Boondall State School encourages families to become involved in their child's broad education experience with us – by keeping in regular communication with teachers, volunteering in class, and/or joining our P&C Association.

Open communication between home and school underpins a great school experience for children.

From the School: To ensure that you always know what is happening in our school, we provide important information through the following:

- School Facebook page and website
- Class newsletters
- School newsletter
- Parent information nights & special events
- P & C Meetings
- Weekly assemblies - Held in the hall from 8.30am

From your Family: We encourage you to share any news, concerns or questions with us. General events in your family life - such as illness, new babies and visitors - can be a source of excitement or concern for young children, and so may affect their behaviour. Please let your classroom teacher know of any such events.

Please feel free to discuss any problems or queries with your classroom teacher – especially in regards to your child's progress. Teachers will be happy to make appointments for longer discussions.

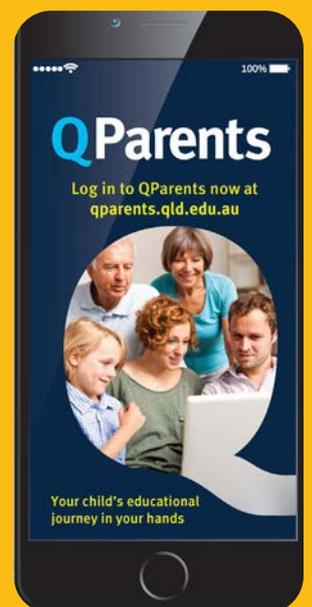

Contacting Staff: You may contact your child's teacher by leaving a message through our school office. Many of our teachers may also make use of their professional email account for communication with families. We encourage you to speak directly with your child's teacher to negotiate the best way of staying in regular contact.

QParents

QParents is a web and mobile app that provides a more convenient, easier way for parents and legal guardians of Queensland state school students to interact with their child's school. Parents will have secure, online access to their child's student information, anytime, anywhere, through a smartphone, tablet or computer.

QParents allows parents to connect instantly with their child's school to access and manage their child's student information, including:

- Attendance and absence details, as well as the ability to notify the school of an absence
- Academic report cards
- Viewing unpaid invoice details, payment history, and making payments online
- Viewing and updating personal student details, including medical conditions and address
- Enrolment details

QParents assists staff and parents in sharing and responding to information in an efficient and effective way. QParents doesn't replace the traditional ways you communicate with our school, but it does provide another way to communicate with us.

Reporting to Parents

While our classroom teachers are available to discuss your child's progress throughout the school year, there are key times of year when we formally report to parents:

Student Report (Term 2 & 4)

Formal reporting is completed for all students in late June and early December each year.

Report cards are sent by email.

5-Point Scale

Prep, student achievement is recorded using a 5-point scale (5-Point Scale):

- A Applying
- B Making connections
- C Working with
- D Exploring
- E Becoming aware

School Assemblies

School Parades are held on Fridays from 8.30am

Parent Information Sessions

At times throughout the year, Boondall State School will host both formal and informal parent evenings. The focus of these events may vary – from introducing curriculum changes, sharing helpful tips about helping your child's learning at home to open discussions about an important, emergent topic. All events are advertised in our newsletter and school noticeboard.

Annual School Report

Each year, Boondall State School publishes an annual school report. This report outlines our achievement across a number of key performance areas, including student learning outcomes, resource management and community engagement. Electronic copies of the report are available on our website.

School Newsletter

The Boondall State School Newsletter is emailed to families each fortnight.

Copies are also available to download from our website. Our newsletter is one of our main communication links between school and home, designed to keep you informed on what is happening in our school community.

Our P&C Association

The Boondall State School P & C Association is an integral part of our school and works in partnership with the school's leadership team to:

- Promote the interests of the school by bringing parents, citizens, pupils and teaching staff together
- Ensure students have access to quality learning materials and equipment
- Ensure effective school policy and management of school activities

P&C Meetings are held on the 3rd Monday of each month in the Music Block. All parents are welcome to attend and are encouraged to take up formal membership. As a member, participants are entitled to vote at meetings and are also covered by insurance when involved in P & C activities.

Volunteering

Our school welcomes the active support of our parents and community members. Whether it is volunteering in our tuckshop, supporting a reading program in class or offering a hand at a working bee – all help is greatly appreciated. If you are volunteering in our school, please remember to sign in at the School Office.

Common Routines

Before and After school

Please ensure your child is escorted to and from the classroom each day by a family member/carer - this is important for your child's safety and well being.

Before school: Students should arrive at school between 8:15am and 8:25am. Students and/or parents are to wait in the Undercover Area. Students arriving prior to 8:15am should attend the YMCA before and after school care facility located onsite.

The roll is marked at 8.30am. Late arrivals need to get a late slip at the office before proceeding to the classroom.

After School: Parents should wait in the designated areas. Prep students must be collected from their classroom at 2.30pm. Children not collected by 2.45pm are escorted to the office and their parents are to be contacted by school staff.

Please note: due to health and safety regulations, children are not allowed to play on the playgrounds before or after school.

Bike Riding to School

Riding to school is a popular choice for students at Boondall State School. To ensure the safety of our students, we maintain the following expectations:

- Before starting to ride to school, children should know road safety rules & be competent riders.
- Wearing safety helmets is compulsory.
- Students are not permitted to ride their bikes inside the school grounds. The bike cage is located near the Hall.

We recommend that students use a locking device to secure bikes to the racks.

Tuckshop

The tuckshop is opened from Tuesday to Friday for a wide range of food lines. Our tuckshop menu meets the "Smart Choices" healthy food guidelines.

It operates during both the first and second meal breaks.

Ordering is through Flexischools www.flexischools.com.au. A circular explaining the system used for ordering lunches and listing current food lines and prices will be issued early in the year.

Tuesday to Thursday have an online menu to order from and on Friday a pre-order system for one type of food is available.

Tuckshop menus are available from our website.

Birthdays

We are very happy to help your child celebrate their birthday with their class friends. If you would like to bring a birthday cake, please check with your classroom teacher for any considerations (such as, allergies).

Don't forget: Our tuckshop has a range of great class birthday offers, including cupcakes and iceblocks.

Water Bottles

All students are encouraged to bring a named water bottle to school. Filled water bottles are able to be used in all classrooms.

Outside School Hours Care

YMCA operate a before and after school care facility on school grounds from 6.00am to 8.15am and from 2.30pm to 6.00pm. They can be contacted on 3865 5032 or 0459 898 355 or Email: abl@ymcabrisbane.org

Please note: YMCA is not a Department of Education entity, and all communication should be directed to YMCA.

General Information

Policies & Procedures

All policies and procedures that relate to the management and operation of our school are available through our School Office.

Student Code of Conduct

Productive learning & positive behaviour are inextricably linked. We believe that effective learning takes place when all members of the school community – students, staff, parents and visitors - acknowledge and abide by a set of fundamental expectations.

The Boondall State School Code of Behaviour is based on the RISE values: **Respect, Independence, Safety, and Effort.**

Boondall State School endorses a whole school approach intended to promote and support appropriate behaviours in all students. To facilitate this approach, the school has implemented the School Wide Positive Behaviour For Learning (PBL) framework as a means to revise and develop strategies and procedures to promote a safe, supportive and disciplined school environment.

Our School Wide Positive Behaviour For Learning program is coordinated by a School Leadership Team – including representatives from administration, teaching, guidance, behaviour support, parent groups and community organisations.

Important principles that guide our work under our PBL framework, include:

- Appropriate behaviour needs to be explicitly taught.
- For some students, extra support will be required in both teaching and reinforcing such behaviour.

Boondall State School offers interventions to support the teaching and reinforcing of appropriate behaviour at different levels. These include:

- Universal – for all students,
- Targeted – for students requiring extra support,
- Intensive – for a small number of students displaying challenging and/or persistent inappropriate behaviour

Details about our Code of Behaviour, School Wide Positive Behaviour For Learning (PBL) framework and interventions are documented in our Responsible Behaviour Plan for Students.

Student Records

Individual student records are kept on file at our school. Copies of student's report cards, absence details, record of behaviour issues and contact information are available to parents/guardians upon written request, addressed to the Principal.

Parenting Arrangements:

Information regarding your family circumstances is essential to help us to understand and support your child while at school. A copy of a court order or custody order is necessary so that school staff can help ensure the legally designated parent or guardian collects children.

Absence

If your child is to be absent from school for any time, we ask that you advise us as soon as possible by:

- **Telephoning the absence line on 3623 8399**
- **Online via QParents**
- **Emailing admin@boondallss.eq.edu.au**
- **Sending a note to the class teacher.**

Multiple unexplained or unauthorised absences will be investigated by the school's administration team and our attendance officer. Please note if you plan for your child to be away from school for 11 days or more, you are required to submit an Application For Exemption from Compulsory Schooling (available from the school office).

Children are asked not to arrive at school before 8.15am. The school will not take responsibility for children who arrive before this time.

It is expected that all children will depart the school grounds by 2.45pm. Any student not collected by 2.45pm should report to the Office. Administration staff will attempt to contact parents and/or emergency contacts. Police may be notified if parents and/or emergency contact are not contactable.

Arriving Late: If your child arrives at school after classes have started, please send them to the office for a late slip. Regular late attendance will be investigated by the classroom teacher and school attendance officer.

Leaving Early: If your child needs to leave school early, please report to the office for an early pass. On presentation of the slip to the teacher students will be permitted to leave the school grounds early. Students can only be signed out by an authorised emergency contact.

Book Lists

Stationery lists are available for each year level. These are published on our website. The school offers a Stationery list ordering service via a local service provider. Parents may purchase the items on the list as a pre-ordered book package which will be delivered to the school for collection. Alternatively you may purchase the individual items from other retail outlets.

Class teachers may ask parents to purchase one or two additional items or books early in the year if required, for individual classes. Some items on the stationery list are available through the uniform shop (e.g. library bag, handwriting textbooks, chairbags and homework folder).

Complaints Processes

The Department of Education, Training and Employment has a clear policy and process for schools to deal with any complaint received by parents/carers, community members, staff or students.

Our objective is to ensure that all complaints are dealt with in a fair and equitable manner to achieve an effective resolution for all parties.

When making your complaint, you should ensure that you:

- Put your complaint in writing
- Provide complete and factual information in a timely manner
- Deliver your complaint in a calm and reasoned manner

For more information on our complaints process, please contact the school office.

Car Parking

The car park located within our school grounds is for staff use. It is out-of-bounds to all students. Exceptions to this policy can only be granted by the Principal, upon receipt of a written request.

Internet Access

The Internet provides our students with valuable learning experiences – offering access to information from around the world. All websites accessed through school computers are filtered through Education Queensland's Managed Internet Services. Together with the supervision of our teachers, we aim to minimise the risk of students being exposed to harmful information. Student access to the internet is monitored through individual logins and passwords.

Mobile Phone Access

Mobile phone use by students is not permitted at school.

This has been endorsed by the Parents and Citizens Association and is in place for a number of reasons including to:

- Prevent loss or theft of an expensive item
- Avoid misuse by the owner and others
- Prevent disruption to class

We can take no responsibility for the loss of mobile phones. Mobile phones brought to school are to be left at the school office on arrival and picked up after 2.30pm each day. Students who choose not to follow these instructions are breaking school rules and risking their own property.

Student Health

First Aid

Members of our school staff are permitted only to render basic First Aid. This is immediate, temporary treatment given by the staff in case of an accident.

Should medical treatment beyond First Aid be required, parents are notified immediately whenever possible and/or the necessary treatment arranged. It is understood that it is not always possible to notify parents immediately of action taken. However, every endeavour is made to contact parents as soon as possible. In case of a serious accident, an ambulance will be called to transport the injured child to a doctor or hospital.

Infectious Diseases

Boondall State School follows the exclusion guidelines provided by the National Health and Medical Research Council. For more information, please see <https://www.nhmrc.gov.au/>

Headlice

Should an incidence of headlice be reported in your child's class, an alert letter will be sent home advising of the outbreak and requesting parents check their child's hair, and treat if necessary.

Administration of Medications

All medication to be taken by children at school must be brought to the school office to be administered under the supervision of the administration team. Parents must bring medication to the office and complete the 'Permission to Administer Medication' form.

All medication must be labeled in the name of the child with a pharmacy prescribed label - This includes cough medicines, Ventolin and aspirin, disprin, eardrops etc. No medicines can be accepted without a completed 'Permission to Administer Medication' form authorisation from the parents/guardian.

Parents of children who suffer from any health conditions are to advise the school administration office of details. Details of any children who self-administer approved medication is required in a Health Plan (written by your Child's doctor).

Accident insurance cover

Some school activities and physical education, particularly contact sports, carry inherent risks of injury.

Parents are advised that the department does not have Student Accident Insurance cover for students.

If your child is injured at school as a result of an accident or incident, all costs associated with the injury, including medical costs,

School Uniforms

School Shirt	<ul style="list-style-type: none"> • Boondall SS navy and white check shirt
Shorts/ Skirts	<ul style="list-style-type: none"> • Navy skirt • Navy skorts, or • Navy shorts
School Dress	<ul style="list-style-type: none"> • Boondall SS navy and white check dress • Navy tights or leggings (optional) • Navy bike pants for under school dress (optional)
Footwear	<ul style="list-style-type: none"> • Navy socks • Black shoes or black sports joggers with black shoe laces
Hat	<ul style="list-style-type: none"> • Prep students should wear a yellow bucket hat. • Students in Years 1-6 can wear a Navy broad brimmed hat, or legionnaires, or bucket hat
Other optional items	<ul style="list-style-type: none"> • Navy Jacket (zip up front) • Navy school pullover • Navy skivvies – worn under shirts in cool weather • Hair ties – long hair must be tied back with black hair ties. Hair ribbons must be navy or gold only • Navy tracksuit pants/long pants
Sports Uniform	<p><i>Optional. Only for PE and Sports Days</i></p> <ul style="list-style-type: none"> • Navy and gold polo shirt (untucked), worn with school shorts/skirt <p><i>For Swimming lessons:</i></p> <ul style="list-style-type: none"> • Swim bags • Sun shirts

All students of Boondall State School must uphold our Dress Code Policy. This policy not only encourages equity among students but also promotes the school's Sun Smart Policy.

If you are experiencing difficulties in arranging a school uniform for your child, please contact the School Office.

Uniform Shop

The opening times and days of our uniform shop are advised on our website

Please note: The following items are available most department stores and are not sold at the uniform shop:

- Black shoes
- Navy socks
- Navy track pants
- Hair ties (long hair must be tied back)

Hats: Our school promotes a NO HAT NO PLAY policy.

Prep students should wear a yellow bucket hat. Children who do not have this requirement will not be permitted to play at recess times or during outdoor activities.

Footwear: The school uniform requires children to wear black covered shoes. For personal safety and general health, students must wear their school shoes at all times. Students are also expected to wear shoes when travelling on the bus to and from school or to excursions.

Jewellery & other accessories: It is acceptable for Prep students to wear a small and plain pair of sleepers or stud earrings to school. Hair accessories should be kept to a minimum.

Please note: Items of clothing with inappropriate wording/pictures, thongs, scuffs, flip flops, slide-ons and caps/beanies are not permitted to be worn.

Helpful tips and ideas

Follow us on Facebook

Find us, like us and follow us at:

www.facebook.com/BoondallSS

This is the easiest way to keep up to date with all of the great things that are happening at our school.

We also include great links to community events, holiday activity ideas and much more.

Lunchbox Tips

When preparing your child's lunch, please consider:

- Size of the lunchbox (not too big, not too small)
- Bulky Insulated lunchboxes cannot be kept in the refrigerator - please provide an ice pack.
- Children are not allowed to share lunches.
- Food packaging - young children can have difficulty opening some pre-packaged foods
- Tins and cans are not allowed as they can present safety risks
- Please advise us if your child has special dietary needs (particularly let the office know if your child has any food allergies etc)

Lunchbox ideas:

- ✓ fresh fruit or vegies cut in small pieces if possible
- ✓ sandwich, roll or wrap
- ✓ baked beans/spaghetti in a plastic container
- ✓ healthy food bars – easy to open
- ✓ dried fruit
- ✓ crackers and dip/cheese
- ✓ water bottle
- ✓ yoghurt

Support learning at home

Boondall State School promotes that parents and staff work together in partnership to support each child's learning.

We encourage families to regularly visit their child's classroom for a brief chat, to take part in daily activities or special event. We also encourage parents to help their child to become increasingly independent - including taking responsibility for their own belongings.

Things you can do at home to support your child's learning of:

Writing

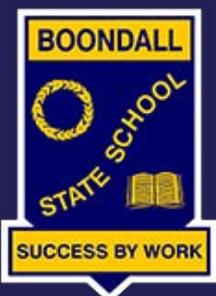

- Use "junk" materials for drawing, making patterns, and building things.
- Write shopping lists or notes to family members to encourage your child to write.
- Arrange fine motor activities such as Lego, puzzles, playdough, cutting, planting, & baking to develop fine motor skills
- Encourage your child to explore different ways to organise areas, e.g. their bedroom, play area

Reading

- Read with your child every night. Your modelling of reading will help to establish a positive attitude to reading and words in their environment.
- Home reading will be sent home in Term 1 as well as some sight words and letter sounds. This will encourage good work routines for your child's schooling life
- Talk about everyday items such as signs, letters, catalogues, magazines and food packaging, number plate spotting.
- Label rooms and things around the house with words and/or pictures.
- Read and talk frequently about storybooks, factual books and rhymes.

Mathematics

- Count everything!
- Encourage your child to experiment with various materials and equipment and identify shapes and colours.
- Show money to your child and talk about it.
- Talk about long/short, wide/narrow, thick/thin, front/behind, next, same/different, full/empty.
- Provide a variety of materials and containers for measuring things - water, grain and sand.
- Discuss quantities and actions while cooking.
