ENROLMENT EXPECTATIONS

The following must be provided prior to enrolment to ensure your child receives maximum benefit from their education at Boondall State School.

- Provide your child with all requirements from the year level book list and any other items requested by their class teacher

- A copy of your child’s most recent report card (if transferring from another school)

- Inform the school in full of any behavioural history or medical condition which may impact on your child or other children within the class

- Provide copies of a medical or behavioural assessment completed by specialists

- Disclose any special educational requirements which will help us develop an appropriate educational program for your child

- Purchase sufficient school uniforms to ensure your child is in full school uniform (including the broad brimmed hat) every day of the week

- Sports house shirts are worn at the Athletics and Swimming Carnivals and may be also worn on Tuesdays. Students will be allocated to a sports house within the first two weeks of school. Students, who have a sibling at the school, will be assigned the same sports house as their sibling.

Failure to fully provide and disclose the above may impact on your child’s enrolment
